

Kendal NurSery School Newsletter

Dear Parents and Carers,

Wow it has been a busy term and it doesn't seem two minutes since we started back in September but we are now starting the nursery run up to Christmas. It is such a magical time of the year for young children and over the next two weeks various exciting Christmas celebrations will be happening in Nursery. We are doing the nativity performance different this year and it will be on the evening of the Christmas fair. It should be a magical night; any children who want to be in the Nativity should come along at 5.30pm to get ready for a performance at 6pm. The performance will be happening out in the garden and we will hopefully have a few animals joining the children in the "Stable". There will be mulled wine and soup available to buy to keep the audience warm and we will sing a few popular songs and carols at the end. So we are outside with children, animals and mulled wine ... it should be a real evening to rememberwhat could go wrong??!!

We hope to see you all there.

Alyssa Dobbs

Donation Dinosaur

We politely request that parents donate £1 a week into our dinosaur.

This term alone the dinosaur funds have allowed us to enjoy hot chocolate, jacket potatoes, roasted bananas stuffed with chocolate and toasted marshmallows mmmmm!!! We have also had lots of baking opportunities including making apple crumble and custard and of course making our own sandwiches. In the classrooms we have played with jelly, gloop, playdough, rice and shaving foam. We carved pumpkins as well as making delicious pumpkin soup. Every day we have toast in breakfast club and snack in afterschool club.

Of course we have to look after our pets and the money goes towards looking after the Guinea pigs and chickens as well feeding the birds.

A big thankyou to all the parents who have been putting donations in our 'donation dinosaur' we do a lot of extra stuff at Nursery and we really can't afford to keep doing it without your weekly contributions!!
